

## Travertine shower base "Edge"

Make your flush fitting walk-in shower with this **shower base** in classic, carved travertine. It is made out of a sheet of stone, which is given the proper **slope** so the water can flow toward the drain.

To provide a touch of class, Perimetrale has an edge that makes the design stand out.

Standard dimensions: **91.4** x **91.4** x **H 5.0** cm, but it can also be made to measure.

## **Dimensions**
