

Travertine sink “Village”

Travertine kitchen sink with rounded, rectangular tub and **smooth dish drainer**. It is a contemporary revisitation of the classic stone sink. The shapes are more linear and it is without decorative elements.

The large edge can be left visible or can become a support element, using the **recessed washbasin** in a marble top.

- The fittings must be installed in the prepared hole
- The drain is the standard bath size
- Easy to clean

Please Note: The fittings and drain are not included in the price.
